TIM DISC

The DISC collection follows the idea of TIM pendant with its exceptionally big amount of mouth-blown crystal. However, this time the round shape is defined by a mold. With its minimalistic design, fine materials and details, it gives the impression of something elementary and close, at the same time something unknown, mysterious and unique. Combining crystal with metal, DISC resembles a real space lighting object.

Clear
Copper & Silver

01 Pendant 95132 /1/00000/550

Product Dimensions: 21.6"D x 12.4"H

Light source: 1x 40 W (E27)
